“ *Just want to send my love and hugs to the Family. Rhonda I am so very very sorry for the loss of your precious Mom. You know I understand what you are going through, my heart goes out to you all. There is no greater love than that of a Mother. She will live on in your hearts forever. Cherish her memories and know she is in a beautiful place now and watching over each of you, now a treasured Angel... Wish there were words that would take the pain away, but only time will help and knowing you have so very many friends that love your Sweet Family and will be there for you all will help you get through the hard days... Judy, has all ways been around since I was little Troy,married the love of his life and we loved her.She was so sweet and calm around all of us .we were loud and family time was the best time at Granny and Papa Sykes, I know she will be missed but the Lord says to be absent from the body is to be present with the Lord,Judy's with the Lord,and we will see her again someday.
