“ *So very sorry to hear of your loss. Mrs. Marx was so sweet to us and our children. I pray you are comforted by the knowledge that she was beloved by many. May you all find comfort and peace during these trying times.*

“ *Susan and Frank, we five Buchwalds consider "Say" to be part of our family, and we think Katharin considered us part of your family too. I am so glad that our families intertwined in such a loving way. One of my pleasures in coming to Corsicana to see Mom over the past years was getting to stay with Katharin on occasion. She worked hard to make me feel at home, and I did. She even offered to help me grade papers. She was such a caring person, and she loved her children, grandchildren and great grandchildren so very, very much. We will all miss her.*
Our love, Larry and Mary

“ I have been wondering about Ms Marx for a while. The Massey "girls" offer our deepest sympathy. Anytime we would see her at the Old Hickory House, Ms Marx would always ask about all the girls including myself, and sister Kay and Donna, Susie, and Debbie Massey, our cousins as well. We all attended Travis and remember her being such a great and warm, and caring teacher.

“ Ms. Marx was a wonderful teacher that both myself and my children had. My first grade at Travis was spent with her. She always listened to both sides of a story. No matter how many years past she always remember the havick you caused in her class and more so of who you are, even after 45 yrs. I will always be grateful to have known her.

“ Mrs. Marx is a very special lady. She loved watching kids grow. Any time I ran into her in town, she always asked about my children Justin and Breanna. She'd tell me she would take them home with her and I would laugh and tell her she would bring them back quickly!
She will be missed greatly! I thank God for her life and the difference she made in many lives. I will continue to lift you all up in prayer in the days ahead.

“ Mrs. Marx was my Teacher in the first grade at Travis. She was a good Teacher and I enjoyed being in her class. She would always ask about my teacher that was about 14 yrs. older than me. She always remember all of her students. That tells you how good of a person she was. She will always be in my memories. God Bless all of you and you will be in my prayers.
