“ *I read the Corsicana paper on-line and was sorry to read about Katherine's death. I remember her from my childhood as being a very beautiful and sweet lady. I know you will miss her very much. I am so sorry that I did not know about her death in time to attend the service or to send flowers.*

Your family is in my thoughts and prayers.

“ *Very sweet lady, loved her and Mr. Moorehead both. Couldn't ask for better.*

At least they are together again.
