“ I remember several weekend that we spent with Kathy and her family at their home. Kathy and I spent several nights with her in her little trailer, up all night talking listening to music. We had so many wonderful memories. I am gonna miss her, even though we haven't seen each other much over the years living sooo far apart. When I did see her, it was like we never missed a day of talking. She is missed miserably in my heart.

“ Katie was a great desk partner and in the short time we got to know each other shared many pictures and giggles regarding moments in our lives and our love for our family. I extend my heartfelt sympathies to all her family she left behind. Katie was a gentle, kind and loving friend to all she worked with and will be missed by myself and others. Susan
