My deepest condolences to Kay's family. I am an ole CHS friend of hers who also lived across The Barron's house on Columbia Circle. We shared many fun times during those high school years. Kay was such a caring and warm person and she will be missed. May you Rest In Peace, my friend 🙏 Sandi Heros

“ Kay was one of the most poised, professional counselors I have ever known. Throughout her professional career, she deeply and positively motivated the lives of so many youths who went onto become successful adults. Outside of her professional life, Kay was a loyal friend to so many of us. I admired and respected her so very much and felt blessed for her friendship. We will all miss her, but her memory will linger in our hearts and minds. God bless all of you, her family. Love, Sandi and Joe Farmer
