“ *Tricia and children, Our hearts go out to you and the rest of your family in this tragic loss of such a young life. My husband went to school with Keith, and I got to know him while we both worked at Guardian. He was a good man, a hard worker and he loved his home and his family. May God grant you peace while you grieve and begin the healing process.*

“ My heart breaks for you all, things like this just shouldn't happen. God had a reason, as I said before we were all praying for a miracle and God gave Keith his. Heaven is shining even brighter now. I didn't know Keith, but I have heard nothing but wonderful things about him. Cherish all his beautiful memories and keep them close to your hearts. It is hard, but time really does help. Believe me I know. God will put his arms around you all now to help you through it. Turn to your many friends and family for comfort and support right now. You all will be in our prayers during the days to come. God Bless You All...

“ I had the pleasure of working with Keith during a small portion of his Guardian tenure. He was a solid hand and well respected in our department and the plant. He was always happy to speak about his family and the numerous activities, and sports, everyone was involved in.

Most of the guys in my department have been friends with Keith forever.

We will be shutting down production on Friday so the crew can attend Keith's service.

I have not spoke to Keith for some time, but his passing leaves a hole in my heart none the less.

“ Trish, Matt, Lindsey, and Brody:
I am so very sorry for the loss of your husband and dad. He was a great guy and I will never forget all of the fun times. I remember he was always so stern with his kids but it was always because he loved you. To be honest, he scared me some times myself! I will always remember all of the volleyball games and nights spent at the Cunningham household. He was such a fun person and I know he loved all of you very much. He will never be forgotten. Love you all!
