“ I would just like to say to Keith's family how deeply sorry I was to hear of your loss. I am praying that God will bring comfort and strength to each of you in the days ahead and draw you closer to him.

I knew Keith from a young age growing up in Glen Rose. Keith was several grades above me but I was around him a lot growing up and admired him very much. The football star and just one of my favorite people. I can honestly say that I don't know that I've ever known a more likable person with such a wonderful sense of humor than Keith. He was truly a pleasure to be around and just a great person. Even though we did not stay in touch over the years I feel blessed to have gotten to see him and visit with him a few times a year over the past 3 or so years at Golf Tournaments here in Glen Rose.

Always the same old Keith. He always talked about his family. His Uncle Hank described him perfectly. A gleam in his eye with a slight smirk of a grin that showed a little mischief. The last time I saw him I laughed until my side hurt listening to Keith and Byron Stinson finish each others sentences as they told stories about surveying together in Wild Horse Mesa Colorado. I will miss him a lot! I am praying for you all.

“ Keith was such a great mentor and friend to me in the short time that I knew him; I will always remember the long summer days working at TxDOT and the always adventurous softball games that we umpired afterwards. I will keep your family in my thoughts and prayers.

“ Dear Georgia, Carolyn, Emily and Rebecca,
I am the daughter of Rita and Philip Jones. I am pretty sure that I have never had the opportunity to meet Carolyn, Emily or Rebecca. I wish I had and wish I could now. But I can remember Georgia and her children in my earliest memories. I was calling my parents every few hours the last few days just wanting and needing to know the status. My heart just dropped at the outcome. I am so so so sorry for your loss. I can't not imagine the grief. But, I wanted to let you know that I and so many are thinking of you so much even out here in Georgia.
My dad, Philip, has many many memories of Keith and has told them to us in a way that we feel we were there and knew him just as much.
I am so sorry Georgia. I wish I could be there to hug you and hold your hand.
Much love, Carrie

“ Keith and I enjoyed many years of playing football together, surveying together and just having fun.. he always was full of love for others and brought joy to everyone around him.

I got to talk to Keith at the annual Optimst club Golf tournament in Glen Rose over the last 3-4 years and I was happy to see that he was the same guy I went to 8th grade with.. just honest, kind and loving.. he told me that the greatest joy of his life was his wife and girls.

I am glad that Keith trusted the Lord for his eternal life and I trust the Lord has prepared a home for Keith in heaven. In the Lords timing we will all see each other again! I will miss my old buddy. If I can be of any help to the family please call on me.

*God bless the home of Keith Rhodes

“ I work with Keith during the summer of 99. I was on a survey crew of 5 with Keith. He made sure we had a good time while working out in the sun. So we started early, we would get the required points, and finished by lunch and played dominos till time to go. That was the most fun on a job i ever had. I have alot of respect for Keith. My heart is sad. He left to early. He was a great man...a great friend. I will keep his family in my prayers.

“ Death was appointed to emancipate us, give us freedom from a world of sin, sorrows,sickness and pain. This liberation, death, is one of the most precious blessings from God. Carolyn, I am talking to God daily asking him to give you and your daughters strength and comfort during this season of your lives.

“ Keith was a very good friend of mine in our high school days. I can not express my feelings at this time, but I do know how it feels to lose someone unexpectantly. He was a tough fullback, and always gave 100%. Good at baseball too, and he also played golf. Always a class favorite, with something always witty to say, alot of people looked up to him. Forgot he was also an excellent basketball player. Georgia, Ricky, Kenny, Sherry, my prayers go out to you. Sincerely, Dana Mimms Linch.

“ We're so sorry to hear of your loss. Though we haven't talked in years, we remember what a nice person Keith was when he started dating you, Carolyn. He and you just seemed to be a good match and we were overjoyed. It is a shock that the Lord has chosen to take him home so soon. Our hearts go out to you and the girls. We pray God will wrap His arms around you all and provide the comfort only He can give. We'll be praying for you all in the days ahead as you deal with your loss. “ My earliest memory of Keith was about 1963, we were in a boxing tournament, I liked him from day one. Over the years we played many football and basketball games together, spent many hours practicing. My longest run from scrimmage was because the defensive backs thought Keith had the ball. He could break a full-court basketball press by dribbling down the sideline better than anyone ever could. He had the best three point shot from the corner before three point shots were allowed in high school. I don't think I was ever in his presence that he did not make me laugh. My fond memories of Keith flow like a river. I consider my time with him to be a blessing from God above. My deepest sympathy to each of Keith's loved ones and I pray God's comforting angels be with you all.

“ I remember Keith when we were kids all visiting at the farm. We always had a great time playing in the mountains(hills) behind the farmhouse in Glen Rose.I remember when he couldn't say his "f's and r's quite right together and called my brother Al(then called by the nickname Fritz) Thrutz. We didn't get to spend alot of time together as we got older and it sounds like he was the kind of guy he was when we were kids. The kind of guy you like to spend time with and be around. I admire his work with kids he knew that they need us to help them along the way.I am saddened by his passing . Willie , Marilyn,Nathan, and Katie all send y'all a big hug and much love. I wish I could be there with Y'all today. I do know this, he is in good company right now with Granny, Grandpa, Castle, Tammie, James, Stephen, and he,s gotten to meet his Uncle Louis.
