“ Connie, The last few years have been very difficult for you and your family. To watch the life of someone you love slowly ebb away is heartbreaking. While part of you longs for a quick release for their suffering, your heart doesn't want to let go. You and Keith made many memories together. Try to fill the empty place in your heart with those happy memories and he'll always be with you. God Bless you, Shannon, Vance, and the rest of the family. My heart goes out to you all.

“ Connie, Shannon, Vance & other family:
Sending my love and prayers to you. Keith is not gone, he is simply at his new home. I am sure he is adjusting well as he spends time with his very best friend, Jesus. I imagine he is sitting by the river, with his feet feeling the coolness and perfection of heavenly waters. He walks and talks w/ the Lord only remembering perfect and wonderful times w/ his earthly family. There are no tears in heaven. Just think Connie, you didn't even have to go heaven to "walk on water" did you? I will pray often for you and Shannon and Vance. Love, Ruby
