“ *Mrs. Crocker and Kathy,*

I am so sorry to hear about Kenneth. I thought so much of him. Glenn called to make sure that I knew about Kenneth and we discussed our many great memories with the Crocker family. You both are in my thoughts and prayers. I am out of town right now, but will try to find out how to contact you when I return.

Love ya!

“ Kenneth was my best friend, Jennifer's, father. He was always very
sweet and kind to me growing up. He opened his home to me,
without hesitation. For that, I will always be thankful.

“ *For all the childhood memories of summer fun roaming through the woods with our bb guns and sitting by the pomegrante tree eating our fill... Swimming at the lake with Tommy and Billy...Going to your Mom's store and having a sandwich together. I loved you like a brother. When vacation came to an end after two weeks I had to return home to Miami but always knew in my heart next summer would come and I would see you again. You will always be remembered with love!*

he was a quite person but somehow i got him to talk to me. i use to mow his yard for him and seems like everytime i was mowing he would start cooking and i told him one day, if he didnt stop that makeing me hungry i was going to have to stop mowing, we both got a kick out of that. im going to miss him being over there watching the fire department for us and his kindness..may God Bless you all in your time of sorrow.
