This first picture is how I remember Kenny. I am proud of him for serving our country. Dad, mother, Larry and I use to visit when we were young and lived at Malone. Our parents were good friends. Those days were the best and filled with good and precious memories. Kenny called me a few times, just to catch up and check on Larry. Kenny and Larry where good friends. Larry and I are sending prayers for peace and comfort to the entire family. RIP Friend. Larry Zettler and Barbara Zettler Janek.

“ *I send my sympathy to your family. My brother, Larry Gene Chapman, and I played with Kenny, Sandra, and Gary when we were kids. My mom and Kenny's grandmother Elsie were sisters. My family from west Texas would visit Aunt Elsie and Uncle Bill several times a year. That's when we kids spent time together. I remember once when Kenny and Sandra were fighting about something. Their mom made them sit on the porch and wouldn't let them get up until they kissed and made up!!! It took a long time; you would have thought it was the kiss of death!! May you feel God's comfort now and in days ahead.*

“ I could only imagine the reunion at the gates of Heaven when Kenneth appeared. I know little Kenny was the first face he saw, as well as his parents. I have always loved this guy. He never could pronounce my name (Carol) It always came out Curl. I just grew to accept it. Lol! Kenneth was a sweetheart. He fought for his country & I don't think I ever told him how grateful I was. He knows I loved him when I met him many years ago. I know him & Sondra had a wonderful life & beautiful family. He fought this last battle & now he can rest without pain. Sondra & family, I love the heck out of you all & if I can do anything, I'm there! Prayers for comfort and peace in the coming days ahead. 💜🌸🕊️🌸💜

“ *I have so many memories growing up with my brother, Kenneth. We sure got a lot of spankings because we were always getting into something or fussing. We also had a lot of fun as teenagers. He also taught me to work on computers and I ended up starting my own computer business. He loved his family and his country and worked hard for his family. We will miss him dearly. He has many family to greet him. I am thankful for the brothers God blessed me with and for our parents as well.*
