

Kenneth Eugene Gibbs

March 6, 1971 - November 5, 2025

Kenneth Eugene “Kenny” Gibbs, 54, of Purdon, passed away on November 5, 2025, in Dallas. He was born on March 6, 1971, in Olympia, Washington, to Howard Kenneth Gibbs and Mary Ellen Cole Gibbs.

Kenny loved the simple joys of life — being outdoors, checking on his cows, and spending time with his family. He had a special place in his heart for his grandchildren, who brought him endless pride and happiness. A devoted fan of the Dallas Cowboys, Kenny also had a passion for square-body trucks, country music (especially Freddy Fender), and building or fixing just about anything. Some of his favorite moments were spent sitting around a fire with his favorite beverage, surrounded by the people he loved most.

He was preceded in death by his parents, Howard and Mary Ellen Gibbs, and three beloved grandbabies — Zaileigh, Magnolia, and Cohen Eugene.

Kenny is survived by his loving wife of 34 years, Meryl Gibbs; children Markus Dillon and Collen Gibbs, Miranda Gibbs, and Lacie and Tristan Perry; grandchildren Slader Anderson Gibbs, Ryker Dillon, Lakyn Perry, Lennox Perry, Amzie Dillon, and Kayden Dillon; as well as his mother-in-law Jennifer Fleeman and father-in-law R.C. Fleeman.

Kenny will be deeply missed by all who knew and loved him. His laughter, love

of family, and genuine heart will forever remain in the memories of those he touched.

No services are scheduled at this time.

“ *Meryl and Family,*

We are deeply sorry to hear about Kenny's passing. While there are no words to fully ease the pain of losing a loved one, we hope and pray that you find peace in knowing he's in a far better place, free from all pain and suffering. He's all healed up now and has a new set of legs that work perfectly.

I have so many fond memories of Poppa Gibb's from over 30 years ago, although many of those stories are probably best kept between friends. They often involved backroads, mud, trucks, and the warmth of bonfires. Kenny always had a fantastic sense of humor and could dish it out as well as he could take it. I regret that I hadn't seen Kenny in several years, and it pains me to know he had to face so many medical challenges and the loss of his mobility.

Please know that our thoughts and prayers are with you during this difficult time. Lean on one another and your huge network of family and friends. Take Care and God bless you all.
