“ *So sorry to hear of this. I went to school with Kenny. He was a great guy and quite the character in high school. We used to get confused of being family members due to my family last name is Praytor and of course him Prater. We always laughed about that. Prayers for family and loved ones. Rest In Peace Kenny.*

“ Kenny was a good friend. He made me feel welcome when I came to school at Corsicana. We shared many mornings in his truck listening to music before school started. We worked together at Brookshires during high school. We kept in touch for a few years after graduation. Kenny, rest in peace. Prayers for all the family and friends left behind. --David Anthony
