“ I am so sorry for your loss. Blackie was a great man and my prayer and thoughts are with you and your family. Blackie was a great friend of my grandfather-Finis Fulkerson. I first met him when we worked cattle together in Katy. I also went to school with Matt in Katy. May God be with you and your family in this of sorrow.

“ There's so many wonderful things to say about Blackie. He was such a great storyteller. He could cook some super fish. He could put everything into perspective. He never met a stranger and was always willing to help anyone. He had so many friends. He loved his family so much and was so proud of all of you. He could always make you smile. We will miss him. You are all in our prayers.

“ *Madeline and family,*

Our prayers and thoughts are with you at this time. I did not get to know Blackie until he started coming to church with Madeline. He was always friendly, had a smile on his face and was more than willing to talk about his latest fishing trip. I always enjoyed visiting with him on Sundays.

God Bless!
