“ *Dear Beard Family:  
You all have been a part of my life for as long as I can remember, starting when I was just a small child. I remember the good times, the fun times and the mad times (like when I hit Kenneth with my wooden purse when I was in 6th grade and he was in 5th). Please accept my condolences in Kenneth's passing and know you are in my prayers.*

*Much love, Judy Warren Gammill*

“ My heart is heavy today with a loss of my Uncle Kenneth. My Uncle was a hard worker that loved to ride his motorcycle in his free time. He had a tough exterior with a super tender heart. He loved living life on the edge but I really don't think he would have had it any other way. He will be greatly missed. I know my Grandmother was excited to welcome her baby boy into heaven today. Many thanks to my Uncle Glenn for for standing by his side through his final journey, you have been an incredible big brother to Kenneth.

All my love, Tammie Varela

“ My Uncle Kenneth passed away today. I am grateful to be your niece, to of been loved by you and mostly I am grateful you are no longer in pain. Uncle Kenneth I picture Grandma Turner welcoming your arrival just seconds after you left us. This brought a smile to my face. I love you and will miss you.
