“ I Worked with Kevin At Cresline from 1986 - 1988..He was the leadman on the midnight crew..The first night I started at Cresline, was 4'o'clock in the afternoon my shift was getting off at 12 midnight...Kevin came up to me and said Kevin can you stay over for 4 hours and get off at 4 am..I said yes. I was running a fast line 1/2 pipe line...Well, Here comes Kevin, He said Kevin , you have to run both lines the 1/2 " side and the 3/4" side..I told him I can't even keep up with the 1/2 line much less the other side.The next thing I knew Kevin came out of the office and was helping me on the lines...I will never forget that.
My sympathies to the family.

“ Dear Oscar & Elizabeth I am very sorry for your loss. Much to my regret I have not been part of Kevin?s life for about 20 years. I have been back in Texas for five years and planed on looking Kevin up just did not get it done. Kevin, Lawrence & I were the three musketeers in high school. Kevin & Lawrence were such good friends not a week goes by I don?t set back and smile about the good times we had. I guesses you could say Kevin touched my life & I will always remember him

“ This is a sad time for all of us. I find myself crying over our loss of Kevin, but at the same time I can't help but smile when I think about him. Kevin loved his family and his friends with all of his heart. He would do anything to help you if you needed it. I for one will miss him busting through the back door saying, "Whatcha got to eat darlin?" And when he got through eating he just might go to "his" chair and take a little nap. Our little part of the world will never be the same without him but he will always be with us in our hearts. I know Randy will be lost without him, they relied on each other, whether it was swapping tools or moving tractors or whatever came up. Please know that we love you all and our thoughts and prayers are with you.
