“ *We had soooo many great times watching Baylor sports together!!! (Lady Bears basketball and our seats together at Floyd Casey!!) The National Championship basketball game in Denver was so much fun! It snowed when we went to the game and she so wished her family could see the snow!!! She was one of the most positive, caring friends I have ever had. She will be, and already is, so missed. But what a great time she is having!!!!*

“ *Years ago I was introduced to Kim in Frost Texas during one summer, we were probably in grade school...After that first summer together we spent a week or so together during the summer. I moved off, after college, we lost contact, As soon as I moved back about 18 years ago, we would meet up to catch up and visit. She will be Greatly missed, Still hard for me to believe that's she is gone. My prayers and heart are with the family.*

“ *Kim & I called each other our sister from another mister. I first met her dad, Kenneth Logan, & admired him immensely & loved that kind, sweet man. Through him, I met Kim & quickly learned to admire & love her as well. My heart goes out to Devon, her kids, & her grandkids. Her heart was filled to overflowing with love for all of you. I'm not sure I ever met a more positive, giving woman. Though I retired several years ago & saw her only a couple of times since then, I feel a gaping hole in my heart from her loss. I can only imagine the loss all of you feel. I pray that God will wrap his arms around you & you will feel His love along with the love from her many friends.*
