“ I miss you so much but i am glad that you are in a better place than we are right now. And i never really told you that i love you but i really did and i hope you know that, because when my mom wasnt around you were there. You helped me when i needed it and you were sometimes more of a mom than my mom was and i am so thankful of and and i love you and miss you more than anything in the world.

“ Kim,
you are my little sister and I love you very much. I will miss you and your sense of humor. I have spent a lot of time the last three days remembering some of the good times we had. I was always so proud to be your big sister.
Thank you for letting me be a part of your life. Love, Vickie

“ Dear Family,

So sorry for your loss. Kim was our neighbor for thirteen years when we lived at Navarro Mills. Don and I think alot of JH and Evelyn and we are very sorry to hear of the sudden death of Kim. I certainly understand your grief as I lost both my parents within six months of each other.

Your in our thoughts.

“ J.H. & Evelyn, I am so sorry to hear about Kim's death. I hadn't read a paper in days & by the time I saw the notice, it was too late to attend the funeral. I called Vicki, but of course, she hadn't heard from anyone, either.

For both of us, I send you our sincere condolences.

“ Amber

I am so sorry for your loss. I know things will be hard for you, but always remember how much your mom loves you and know that she is still here in spirit. Also have faith that she is still watching over you now. Until the day that you meet her again cherish her in your heart and she will always be with you. Words can not express how very sorry I am ! I love you and if you need anything call me.

Love your cousin
