“ *My prayers are for you all. Kim was both beautiful inside and out. I'll always remember her as caring, thoughtful person who always put other people's needs first. She was the tall, beautiful girl with big blue eyes who was very sweet, yet strong, and she will be missed.*

“ Kim was my friend from the time I met her at Crockett Jr. High School in the 8th grade. She didn't judge others and she stood up for what she believed in no matter what. She was bold in her faith even in trying times and she made me hungry for the Word of the Lord and to hear from Our Lord. She came to my house after we had children and one of my daughters had been sick since about 3 months old and Kim made me and all my children stand in circle with her and lay hands on her and Kim annointed her with oil and we prayed for Laney. I wasn't very strong in my faith but I did what Kim said. She opened my eyes to the healing our Lord can do with great faith. A year or two, later, Laney went into cardiac arrest and was placed on life support. Doctors said she was brain dead and I told them they was not God and stood on faith and Laney, today is a thriving wife and mother and will be having our second grandchild. This is one of many doors Kim opened to me and my family. She was unashamed and though she struggled much I firmly believe the adversary wanted her out of the way. The Lord allowed her in my life because He knows what we need before we need it and many are called but few are chosen. She will be truly missed and she was a true friend.
