“ Kori, from the moment I met you, I knew you were special. You had the brightest light, and you were more creative than anyone I've met. You had dreams, and I was excited to see what you would do with them. I am so sorry that something in your life put a shadow over those dreams. I wish I had known... I am praying over you, and for you, all through the day, and all through the night. We didn't get to speak much, but I have always loved you with all of my heart. I will always love you. I wish we would have had more time to get to know each other.. You will always be in my thoughts, and my prayers little cousin. Your presence is sorely missed, and we are all devastated. My mom will hold you in her arms.

“ Beautiful girl, I am heartbroken without you.
I will always remember that sweet voice and those big blue eyes.
Your life was cherished by those who love you and I pray that you
felt that. Now you're in the Heavenly choir, singing for God with all
the angels. Wait in my mother's arms, until we can all join you.
You are deeply loved and missed, sweet baby.

“ We had the pleasure of having Kori stay the
night with our daughter, Ashleigh, one
weekend. She was very well mannered and
sweet. She was a good friend and she will be
missed terribly. May God comfort this family
and bring them peace. Kori, you have your wings, fly high sweet
angel.
