“ *I am so sorry for your loss; I was one of the kids that would have never known God or his love if it wasn't for Mr. Moore. Without fail, every Sunday morning and on Wednesday night that white station wagon would pull up and get us. God created a very special, awesome man when he created Mr. Moore. I've never met a more dedicated man.*

“ *I am saddened beyond description at the news of Kris' passing. Kris and I shared many life events in high school and at the University of Texas. Kris was a fine man, friend, and scholar. I deem it an honor to have shared a part of our lives together. I pray for the peace afforded by our Lord and the knowledge that Kris is now at home with his Savior. My prayers for Rita and their family.*

“ My wife, Sharla, and I met Kris, Rita, and their family at the First Baptist Church in Bryan as Kris was working on his PhD. We became good friends. Around 12 years later, Kris, as Chair of the Information Systems Department, was very instrumental in getting me and my family to Waco and the ISY Department. During the first semester I was at Baylor, he even shared his office with me. I have cherished our friendship over the years, will miss Kris, and look forward to seeing him again in the future.

“ Due to his help, I was able to finish my dissertation at TAMU. His expertise in designing the research and analyzing the results was critical in the successful completion of my PhD. He took some of his valuable time to guide me through Chapter IV Presentation, Analysis and Discussion of the data. He was always willing to help.

“ Well one of the greatest memories I have of Kris Moore is that he would come to my home and deliver a goodie bag dear wife Ms Rita for me during a time when we really need it and then I can remember some good memories and I enjoyed a lot of basketball and baseball with these dear family so that will forever live in my heart those summers that I spent with these Dear folks And most of all I need is their prayers and that I know how always God and I always felt blessed by their visits so that you are all in my thoughts and prayers during this time

“ I will so miss you Uncle Kris. You were such an example of walking out God's love. From all the years of taking the church van to pick up kids, to being such a great brother to my Dad, to being such a loving and encouraging Uncle, to loving and caring and growing up such an amazing family, to loving your wife and loving your God. The list is so long. All of it will be missed! Thank you for being such a great Uncle to me. I can't imagine how glorious of a day you are having now!!! You were, are, and will always be loved!
