“ *Becky & Kyle I can't imagine the pain you both are feeling. I don't know what I'd do if I was to lose one of mine. I am very thankful that I was able to have that photo available for you. You are all in my prayers. God Bless you all. I'm here if you need me. I love you!! Be strong girl I know you can.*

“ *Becky and Kyle-we know your pain all too well, we are so, so sorry for the loss of your precious angel. I can picture Talon holding him in his lap, taking care of him as if he were his own baby brother. Just know that you are in our every thought and prayer, and we will be here for you throughout it all-just remember, he is in a much better place, and you will see him again. We love you both very very much.*
