“ *We met the Reed family in 1959, shared a lot of good memories through all those years. Our children also shared a lot of good times with Lance and Clay. Lance was always there for his family when needed, and a good friend to all. My heart is breaking for Joanie, Marilyn, Clay and families.*

“ While Lance was mayor we had a big water leak that involved the State maintenance. I'm sure it was a nightmare for him. I think he was there almost around the clock for at least a week. He was wonderful and we are grateful he was there and handled it so well.
