“ *Sharing a fond memory of when Chris and I were in our teens...Lanny had taken us out beaver hunting late one night. The beaver had built a dam at the tank and possibly had a family living in there. A loud gun shot went off and I remember Chris running for the truck bed and me freezing in place. Lanny pointed the rifle at the beaver and the rifle jammed. Next thing I remember he was pushing me behind him and raising the butt of the rifle up to face the raging beaver (and it was pushing a huge wave of water our direction). It all happened in an instant and luckily the beaver gave up. We can laugh now, but I'm sure all of us were trembling to no end that night.*
