“ To the family of Joyce. It is a wonderful gift to have shown the love and care that you have given Joyce, over the many many years of Joyce Illness. I am positive she knew how loved she was. Joyce was always a joy to be around, would make you feel comfortable and always had a smile on her beautiful face. The last time I saw her, she still had a beautiful glow about her. With all my love and thoughts, and prayers, just know she is truly now at peace. Love Ann
