“ *As a child, my family would load in the station wagon and go to the country to see Uncle Harvey and Aunt Ethel and the “kids”. Great memories of shooting cans with Berber guns, playing in the fields and riding around in the pickup truck ❤️
So sorry to hear of his passing, we reconnected on FB a while back, so happy we reconnected. May God carry you through this difficult time and help you to hang on to the beautiful memories of his life.

He was a friend in Snyder since 1974 and we had many cups of coffee and laughs together. I was shocked when I heard of my friend's passing as we were out of town and the Snyder paper was very thin on any information. Anyway I couldn't say goodbye as I don't know where dresden cemetary is or why there. Anyway, my friend, Go rest high and we'll miss you. Your friend, Mike Trull
