“ *Just discovered that Laura had passed away. I have been calling her repeatedly and getting a voice mail until today, when I got the message that the number was no longer in service. Met Laura when she started attending Community Christian Church and we were doing Bible studies together. Laura was always upbeat despite all her physical disabilities and I will miss her. Would love to have Libby's phone number and address if possible.*

“ *So sad to hear about Laura passing. Laura and worked together for several years in the 80s and we kept in contact for the remainder of her life. Laura enjoyed life, was fun to be around. Her laugh was infectious. She was patriotic and a great soldier. GOD Speed my friend!*

“ I met Laura in the Army Reserves. She always had a good sense of humor and fun to be around. We piled in the van and go partying. Becky and I got to visit her Thursday a week ago and was able to talk, laugh and eat some hamburger and fries together. I am so thankful for our time together, our friendship and mentorship from Laura as an Army Warrant Officer. Thanks Scottie for meeting Becky and me to guide us to Laura;s room.

“ Laura and I have been friends since we first met in 1980 where we were both in the Army stationed at the 807th Medical Brigade, Seagoville, TX. We went through a lot together in the Army and civilian life. She was a great and loyal friend. I will miss her terribly. Love to her sons, Scott & Mark, and her sister, Libby. Condolences to her entire family.
