“ *LaVerne was such a caring & sweet lady. I became her daughter-in-law 14 years ago. She considered me her "adopted daughter. After I married her son, Edward, two or three years later. We had discussions about different points of view, but we finally agreed. Our views were the same. I know that family & friends missed out on her being so caring & wonderful, to not visit her on a regular basis. My thoughts & prayers are with each of us thru this difficult time. God Bless All.*
