My family and I, along with the over 8000 employees of Fred's Inc want to offer our deepest sympathies in the passing of Lea.
Lea was a personal friend to both Angie and I, and we will never forget her commitment to life, her family, and her husband.

“ *Bo and kids I love you all so very much and so sorry for the loss of Lea. She was the strongest person I had ever meet and just glad that I got to know such a loving, fun and caring person. She was a good friend and I will always remember the times that we had spent together wether it was going to lunch, going to the pool and all gathering together for Bo's famous ribs. She will be missed very dearly, but one day we will all be with her. Right now she is spreading her wings and flying.
May God Bless you and watch over you.
Bo, if you or the kids need anything just call.*

“ Dear Bo & Family, I am so truly saddened at your loss. Lea was such a great lady! I will hold all my memories of her fondly in my heart. My favorite of which was the afternoon I spent with her when she did Lynsey and my hair for our Prom. She was so wonderful! She always treated me like family when I was in her home. I will miss her dearly. You are all in my thoughts... God Bless Lea and the entire Soape family. She is home now.

“ Dear family, I am so sorry to hear about Lea. She was one of the first people I met when I began my own routine of chemo. I tried not to pry, but I knew she had been fighting cancer a long time. She was such an inspiration and encouragement to me. Seeing how she dealt with the treatments and each new chapter in the battle helped to keep me strong. She will never be forgotten. I have had your family on my prayer list and on the prayer list at my church. May God bless and protect each of you as you try to deal with the loss of your wife and mom. Bo, we spoke when you came back from the Toby Keith concert and I saw Lea's new shirt and the photos. I was impressed by the way you cared for Lea. I know from my own experience, by the love and concern I get from my husband, how much that meant to her. It surely made everything she went through much easier to deal with.

“ Our deepest sympathy goes out to Bo and family with this loss. Just 2 yrs ago my family experienced the loss of a dearly loved grandmother who had fought the same long hard fight against cancer. Through her determination and fight to live and continue life, Lea, as my grandmother, triumphed over the hand she had been dealt and offered hope to others. Remember the good times and continue to remind others of how she lived and fought.

“ *Bo and Family, Eric and I want you to know that we are keeping you all in our thoughts and prayers. Bo, you and Lea had such a love and devotion for one another and Lea loved all her children with all the love she had in her. Lea had a spirit of kindness and fun. She enjoyed life and all it had to offer. She was an inspiration in how to live each day, with love, courage, and a little fun along the way. Lea will be missed by all who knew her. I know that she is in Heaven looking down on you and the children. I know that this will be difficult for all of you. Just remember that God will see you through this and one day you will see her again.*

“ Although at such a time as this, your many friends will say
That time will ease your sorrow and take your grief away,
What is truer and more comforting is to know, deep in your heart,
That in cherished thought and memory loved ones never really part.

“ It is with great sorrow that we mourn the loss of our wonderful friend, Lea. Though her time with us was short, she leaves a lasting impression on all of us. Fun, beautiful, strong, smart, and sassy is a combination found in no other. I had the honor of being called "Jennifer" for many years by Lea, and I would give anything to hear it just one more time. When we spoke a few weeks ago, we shared her optimism that she would beat this horrible affliction. Now that she is with the Almighty, she waits for us with the same smiles she blessed us with in life. Our thoughts and prayers are with her family and friends always. We will miss her more than words can say. With undying love and affection, Rodney Earle and Amy Eutsler.

“ I know this took me a long time to do this, but, here goes... I have known you two for 1/2 of my life.. Lea was my best friend in this world. She was my sister, my confident, and my best friend. I will miss her so very much. I pray that God will help me to understand why such a beautiful and generous and loving woman was taken so young. My heart misses her so. I wish I could have taken her pain from her. She would have done no less for me. Bo, you were the best husband she could have ever wished for. She loved you with every part of her being. You were the love of her life!

I am so very glad her suffering is over. She kept fighting when others would have given up, she is my hero. I strive to be as strong and loving as she was all of her life. Thank God she was as strong a Christian as she was. She will always be a role model for us all.

Bo, Gene and I will always be there for you no matter what the need.

Lea... I love you and I miss you..Thea

“ To my beautiful loving wife, "Snookums".

I miss you so much it hurts baby. I miss everything about you, your smile, your loving voice, your always upbeat attitude, the way we hugged each other every chance we had, the little things you did to brighten my day, our personal relationship with Jesus Christ our Lord and Savior, the very special loving and caring relationship we shared and so many other things you did as a wife, mother, and best friend. You will always live on in my heart and soul for as long as I live. This is not good-bye baby, but see you later when we can live and love each other for eternity.

Your loving husband & best friend, Bo.....
