“ Leah was a special lady. I took care of her during her last 5-6 years at Westside Development Center in Corsicana. Leah loved her fellow consumers at Westside. Many times Leah would bring me a rose from the red blooming bush outside the back of the building and give me a kiss. She loved Coca-Cola, cigarettes, and coffee.

“ I'm a nurse that took care of Leah at Westside Development Center. We have missed her since the day she went to the nursing home. I am heartbroken that she has passed away. My condolences to her brother & other family members. She was so loved by peers & staff at Westside Development Center.
