

Leda Hilzer

June 7, 1953 - October 22, 2023

Leda passed late in the evening on October 22, 2023, at the age of 70 due to medical complications at Navarro Regional Hospital in Corsicana. She was born in Kimball, Nebraska on June 7, 1953, to Arthur and Donna Hilzer. She attended grade school in Grover, Colorado and graduated from Imperial High School in Nebraska, and also attended nursing school in Cheyenne, Wyoming.

Shortly after nursing school she met William Wixom and they married. She had two children, daughter, Brandy and son, Michael. She then moved with her family to California where she pursued her medical career as a licensed Surgical Tech and then a licensed Psych Tech. After a while she found her calling as a certified Drug & Alcohol Counselor. She retired to Corsicana to be closer to her children and her grandchild. She enjoyed spending time with her dog Midget and pursuing her passion of gardening and helping the Drug & Alcohol Recovery Community.

Leda is survived by her daughter, Brandy, son Michael and granddaughter Madison.

The family chose to honor her wishes and have her cremated and will honor her with a Celebration of Life at a late date.

In lieu of flowers & gifts, please make a donation to your local Animal Shelter in her name.
