“ Each of you are in our thoughts and prayers. Lelanie was a beautiful, kind, loving person, always willing to help an individual out. A proud mother, wife, grandmother, sister, daughter, and friend to many. She never met a stranger. We shared many evenings and weekends together at softball games. You would never know if she was having a bad day - she always had a smile in place and a sparkle in her eyes. Just know, she loved each of you very much. May God bless you all in the days, weeks, and months ahead. Cherish the many memories, live life to your full potential because she would want you to and always know she is watching over you. Love you all,

“ *Lelanie's family are in my deepest thoughts and prayers. She was beautiful inside and out. God blessed me when he brought her daughter Rachell to become my friend when she started Mildred in the second grade. We had the best times and Lelanie was always there for everything. She made sure we always had fun. She is an inspiration. She did an amazing job of raising her kids. She was a good friend to my dad Terry Hanna. She always took care of his insurance needs for so many years and was someone he could talk to. Heaven gained an amazing, beautiful angel. My heart aches for this family. Rachell and Brittany I love you. You, Mikayla, and the grandbabies will carry on her legacy.*

“ *Dearest Rachell,
My heart aches for you and your family, I had just asked Dawn at the office about your Mom. I am sending a gentle hug your way, to help comfort and to let you know that you all are on my mind and in my heart today and always. Loosing a mother is one of the deepest sorrows a heart can know. But Lelanie's goodness, her caring and her wisdom live on thru you all. I never got to meet your Mom personally but speaking with you when you would call Germania I felt like I knew you all.*

“ *The world has lost a beautiful Christian soul while Heaven is welcoming her home! Lelanie was a loving and talented young woman; all who knew her will terribly miss her. She was one of those people who one did NOT forget - she had so many assets and talents but was always humble, kind and loving. May the Holy Spirit be with her family during this time of grief and may we, as believers, remember that we will again be with Lelanie - that's a promise we may hold onto to. KNOW you are in our thoughts and prayers.*
