“ *Dennis & Rhonda: Lena was such a sweet spirit and you did an outstanding job or taking care of her for so many years. She will be missed by so many and yet we all know she is finally at peace with the Lord. You and your sweet family are in my thoughts and prayers. I am not able to attend the visitation or services because I have the flu, but please let me know if there is anything I can do for you in the weeks to come. God Bless You.*

“ *I remember my Aunt Lena as a kind woman who could easily make us feel at home. She was loving and seemed to truly enjoy people, especially her family. I will always treasure the fond memories I have of her.*
