“ *The memory that I want to share about grandmother is her sacrifice of service. During the Christmas season my grandmother would work at Collin Street Bakery. My grandmother worked many hours to be able to give money to her children. At this time my grandmother didn't have to work, but she chose to so that the grand kids would have Christmas. Through this I learned of how God gave us an eternal gift in Christ Jesus, the very reason why we celebrate Christmas. I'm truly thankful for my grandmother. Love you nanny. Love you my family from Andrew Beamon.*
