“ *I have such wonderful memories of Lillie, from staying with her and grandpa in the summer, fishing trips together-to them coming to Grand Prairie for the holidays. Her country style to her great country cooking. One of my fondest memories is riding thru the country and stopping at the store and getting lunch fixins and eating in the back of the truck. Her and Grandpa were a major part of my childhood-we had a lot of wonderful times together. She will be greatly missed!  
Love ya*
