“ Our hearts are hurting for you all right now, how well I know your loss and pain you are going through. Losing such a precious Mom and Grandma... Time helps as we all know and the Love sent from Family and Friends will help you get through the days ahead. I found comfort knowing Mom and Daddy were together again.... This helped me more than anything. They are now watching over you all now. God Bless this Sweet Family...

“ Bobby Gene and Lillie were easy to find at the family gatherings. Lillie was the quiet one. I guess it was from working at the hospital for years. She was soft spoken, lovely, and always hair and makeup perfect. She was a loving caring lady and she will be missed. Donna Clay Picone
