“ *It was always a joy to see Linda come into the store. She was always so friendly...and spoke very highly of you, Crystal. I would go out of my way to make sure she knew I was there and to tell her hello... she always had a smile... and I enjoyed seeing her everytime. May God be with all of you... she was such a wonderful lady and will definitely be missed...*

“ *Crystal and family, I am so sorry to hear of the loss of your grandmother. I remember how close you were to her.. Losing someone you love is a painful experience and leaves a hole in your heart. Turn it over to God and he will see you through this. Each time you remember something about her, speak her name, or think of her, she lives on. She is in a place where we can only dream about--a land of no pain, just sunshine and roses....You are in my prayers...*
