“A very special lady” as any who was blessed enough to know her I'm sure will agree...I've known Mrs. Lee for many yrs., but the past 4 yrs. I spent alot of time with her and really became to know the person she was...we laughed together and cried together but mostly laughed...she always lifted my spirits just being around her...i would say "how you doing today" she would say " super dooper " that always made me smile...I will miss her so much but I am thankful to God for the memories I have....I know heaven became a brighter place when the Lord took her home...I won't say goodbye Mrs. Lee but i will see you later.
