“ *Larry, Lesli, Lisa I am so sorry for your loss. I loved Diane like a sister. We were friends in school and I spent countless hours with her and Sherry in Powell. I called her in June when I heard she was sick. She had high hopes to get better. Some of the best days of my childhood were spent with the Inmons . I will miss her.*

“ *To Larry - I'm so sorry and sad to hear about Diane. I've loved her like a sister for so many years and I'm so sorry I didn't get back there to visit more often. I still treasure my last visit with Diane and our "group" at your house a few years back. Diane was so proud of her girls and we all had such a great time just catching up with one another.*

I will miss her! My thoughts are with you and your family. Love to you all always,

Debbie

“ Diane was one of the most genuine ladies I knew. What a blessing to be one of her friends. I will always remember her sweet smile and caring ways. Even as weak as she was. she wanted to be sure that her friends and family knew without a doubt that she loved them. I am so glad we had the time to voice our forever friendship the Sunday before she went to be with our Lord. I loved her and love her family. I know she will be there to greet me when I get there. I was truly blessed to be her friend and for her to be mine for 34 years.

“ To Paul and the Girls -

My heart goes out each of you. Diane was always such an inspiration to be around. My most vivid memory is of her vibrant smile and the way her love and laughter would fill a room whenever she entered it.

She will be greatly missed on this earth, but I'm sure the angels in heaven are singing and rejoicing her arrival.

I pray God's loving arms will surround and comfort you in the days ahead.

Love to you all.

“ We wish to send our prayers and thoughts during this special time of need.

You both had many friends and family in Kerens and Diane you will be missed.

The Lord calls us all home when it is time for us to rest. We are never ready to leave our friends and love ones, but there is a better place where there is no pain or sorrow.

Larry We will be thinking of you and your family during this week end.

“ *Just wanted to say that I'm sorry to hear about your loss. Diane was a wonderful person. I wanted to come to the services, but was in Kerens without the proper attire. Anyway, I hope that the service was nice and that the rest of the Paul clan is able to move on secure in the knowledge that their wife/mother is in a better place. You guys are in my thoughts and prayers.*
