“ Linda was my very best friend. There was a bond between the two of us that will never be broken. I love you so very much my dear friend. I truly miss all the wonderful times we shared together while in Shreveport & also in Ft. Worth. We lost touch after you had been in Barry, TX. for a while. I know you are with our LORD now. Resting peacefully. You were such a wonderful free-spirited person. In closing, I want to say that half of the bond we shared; I have found. Now I have a huge part of you that makes our memories even more special. I thank GOD for your friendship every single day. And I will forever cherish the wonderful memories. Just wish I could have been there in the end. 💖💖💖

My dear precious Baby Sis she was my world, we were soooo close I always thought of her as my little baby, even though we were only 2 years apart. I was very protective over her, I was Big Sis, I know I'll see you soon and we will finish some of those conversations we never seem to be able to finish, I swear Sis you were THE hardest working woman I have ever seen in my life .so now time for you to sleep and you are in Gods memory, and mine , until we see each other again in that Paradise I love you baby sis , I thank almighty God for blessing me with you.
