“ *Sybil, Connie, Cathy, Cherie and family, My thoughts and prayers are with all of you at this time. I have so many good memories of growing up with your family. Your dad could always make Mike and I laugh. We were lucky not just to be neighbors, but friends as well. I am so sorry for your loss, but grateful for the friendship all these years of your family. You are all in my prayers.*

“ *I spent many years working with Lloyd at Oil City Iron Works and had the pleasure of many campfire laughs on hunting trips. He was always a pleasure to be around as he made everyone comfortable with his stories and jokes and his loving comments about his family. Too many good memories ... what a good man. Thoughts and prayers are with his family.*

*Sincerely,
Chris Norch*
