“ Logan you will be missed dearly by all. My fondest memory was about 14 years ago at Lake Palestine. You and your sister were there with Dariel and Billie Nevill, my parents and Curtis fishing. You were having a great time catching some little catfish (Big) and afterwards we all went back to the cabin for a great fish fry. You turned out to be such a beautiful young lady. Love you very much Judy..

“ *She brought so much joy to our lives. Growing up my boys wanted to be were ever her and sister was. We have so many wonderful memories. Our last messages you were talking about how you couldn't wait to see Karson spoiled rotten like lil Malachi is. Our hearts are heavy here but you feel no pain and are now with your baby and the ones who passed before you!! Give them all a big hug for me sweetheart and I look forward for the day you welcome me at the heavenly gates!!*
