“ *To Lola: I can only imagine that you are feeling a strong sense of loss with the passing of your dear sister. My prayers of peace are with you. Just to let you know, many others at the home are feeling the loss as well. As for me, the friendship with Mrs. Thoroughman has been an invaluable relationship. I have learned countless lessons of life for my future personal and professional life from her that cannot be contained in this short note. I will miss her so much.*

“Lois was a very kind lady that always thought of others before herself. She was a very outspoken person & i think that was what everyone liked about her she was president of the resident council @ heritage oaks & will always be remembered for her wonderful wits & beautiful smile i looked @ a picture of her today that was taken a while back & she was a very pretty lady that carried herself very well. I had told her when i left work thursday afternoon that i loved her very much & she told me the same she will always be remembered in my life as not only a resident but a special friend & those are hard to come by Lola you just hang in there i know you will miss her but someday you will be reunited with her for eternity. If you need anything you don't hesitate to call upon me. Lisa Newland
