“ *Loma was my former mother in law and grandmother to my two children. She was only 5 ft tall. She kept her looks well into her 60's. She loved her 2 dogs and went nowhere without them. She was a feisty woman and could do the work of a man. One if the hardest working women I've ever known. She loved to cook chicken & rice which was always very good. I hope she's at peace now in the Lord's presence.*

“ *i am so sorry for your loss! I got to know Ms Loma when I worked in Italy, there was something from day one that I loved about her. I think I became one of her favorites when we brought scooter the puppy, she took her in like she was hers. In the short time I got to know Ms Loma it didn't take long to love her and make many memories. I will miss our visits, she always enjoy when I would bring my daughter to see her and her sweet sweet smile. Keeping all of you in my prayers.*

My life was made all the richer having Aunt Loma in it. As with all family, you are able to see them at their best and also, not their best, and love them and treasure them. My mind and my heart are full of many rich memories of shared family times at Aunt Loma's home. Mom and Dad, Aunt Pat and Uncle Bert and the rest of the family sitting around the table laughing and visiting while us kids danced, played around and visited in the living room. I can also still see Aunt Loma coming in the garage door at my mom's. Bursting in, busy with something, like a little ball of fire. Much comfort to Roy Lynn and Pam and their family. We love you. God's speed, Aunt Loma. You now know all the mysteries that we still do not understand. But we will live in faith until we meet again.
