“ Joyce Lou,

Your mom was one of the most generous souls and a better aunt would be hard to find. She was so good to all that needed her and those that she encountered. Her years were many for she not only honored her father and mother, but was loving to her God and family. Till we see her and the the rest of the family on the other side. Dot and Darlene put away all your private stuff for Lene says anything that is on the coffee table is fair game for her to read. Mama and Papa rejoice as we mourn our loss. Our loss is their gain. It is a comfort to know that she is now a part of a bigger and better family. We love you aunt Lene and will greatly miss you. Joyce if you need us just call. love your cousin, David and aunt Sis

“ Jerry, Joyce and families of Lorean.

It has been a long time since I've seen your mother, but grew up with Jerry. Want you all to know that our Prayers and thoughts are with you during this difficult time. Please remember they are gone for now, never to be forgotten. No goodbyes, just so long until the time when we meet again.

May God give you peace.
