“ Lorene was the best mother in law a girl could ever ask for. After the passing of my own mom and dad she stepped in and became more of a mom and a best friend to me than a mother in law. She was a very caring, loving and giving christian woman. I adored her. There was never a time when I called and needed to talk that she didn't drop whatever she was doing and took the time to talk to me. Even though there were hundreds of miles between us, I always felt as if she was right next door. I am going to miss her more than anyone can imagine. I do find peace that she is no longer in pain and is in heaven with the lord and all her loved ones that went before her. I am sure she will be making things all right for when we join her. I love you Grandma and you will always be in my heart and soul.

“ *Mary, and all the children, grandchildren, etc. of Mrs. Wilson! She was one of the sweetest and kindest ladies that we have had the privilege to know. We were glad God put her in our lives. She will be missed! But, just think what she has gained! In heaven with her Lord and Savior! We loved her very much and will miss her.*

“ *Mr. and Mrs. Wilson were both wonderful neighbors to me for more than 10 years on Oak Street in Kermit, TX. As a young wife and new mother, I learned so much from them both. We always had great conversations over the fence or in each others' yards. We knew that they loved us and our kids. They were the kind of neighbors every young couple should experience...for a lifetime. Blessings,  
Brenda*
