“ *I am so sorry to hear about Lorrie's passing. We were friends in junior high and high school. We were also in band together. Lorrie was not afraid to be herself, and she helped me to be myself. I can imagine how encouraging she must have been to her family and students. She was also intensely loyal and forgiving. I wish I had been a better friend to her. I know she will be missed. Praying comfort for loved ones she leaves behind.*
