“ I won't be able to say or type anything that will express my memories and feelings for Louise with justice. We loved Louise and I think anyone who ever met her would be able to say that they instantly liked her. She was so kind and fun. We would see her at Christmas when she would be visiting Mary and Bill. She had a special way of carrying herself. She always made me feel at ease and joyful when I got to be with her.

My heart goes out to her family and friends. All of you are in my prayers. Seek your memories of this special lady for consolation and be thankful of the time you had with her.

*Love,
The Berkenbile Family*

“ Louise was such a special lady, always concerned about her neighbors welfare and always willing to help anyone in need. I will always be grateful to her for the kindness, friendship and concern she gave my mom after my dad passed away. Thank-you Louise for being the lady that you shared with all who knew you.

“ We so enjoyed seeing Louise and visiting with her this time of the year at Bill and Mary's home, here in Dallas... She has always held a very special place in our hearts because of the love and respect that Mary and Bill shared her with us... She was quite a remarkable female and we treasured the time we were fortunate enough to spend with her and all of the wonderful stories shared. She is already missed!!!
