“ *She had a wonderful personality. You will be missed. When she was in the Senior Program at Educare she love to have staff do her in with long ponytails.*

“ *There is so much to be said about Lucille. She loved people, jewelry, books and most importantly she loved God! I had the privilege of working with Lucille for thirteen years. She was a jewel! She simply adored her church family at Westhill Church Of Christ. You could find her there anytime the doors were open. Her soft spoken words will be missed by all that new her. She was my friend. She had a way of getting into your heart and never letting go. She will be missed by all that knew her. There will forever be a void at Edwards home(where she once lived) that will never be filled. I can see her as she seats and reads her book to God!*

“ I consider it an Honor and a Privilege to have met Lucille. She was very Special to me and everyone who knew her. She Loved to talk about her Church and the Lord. She looked forward to Sunday and Wednesday's Church Services.

It broke our Hearts to lose Lucille, but she did not go alone, for a part of us went with her, the day God called her home. Rest In Peace, we will always Cherish our Memories of you.
