“ *Mary Lou, I am sorry to hear of your mothers passing. I have thought so often about both your parents and it is because of them I am in church today. They would always come by and pick me up for church and they were the nicest people. The last time I saw them was when my mom passed away in 2000. My thoughts and prayers are with you and your family at this time.*

“ Just wanted to express my condolences for Mrs Bell. She was my roommate for a while at Heritage Oaks West. We got along great, and I enjoyed her company very much. She was a very nice lady.
