“ Dear Greg and all members of Lue's family,  
I am sad at the loss of Lue -- rather difficult for me to realize actually. All of us in her Class of 1957 mourn her loss and the loss also of Brooks and Sue Green. It was a hard struggle she has been through and lots has happened in these last 2 years, but she kept her optimism always. Greg, you are a wonderful son -- she was so proud you always but never more than the way you conducted yourself being there for her during Brooks' illness and passing. Everyone was very touched by you then and at our 50th class reunion to which you escorted your mom. I have a couple of pictures made then that appear frequently on my computer screen of you and your mother last October at the reunion. I will cherish it always.

Our hearts go out to you in your great loss of both mom and dad in such a short time and way too soon -- our thoughts and prayers will be with you and the entire family in these days and months ahead.

“ I am Greg's wife's sister. Lou treated me like I was her daughter-in-law too. She treated my kids like they were her grandkids, always asking about them and loving them. Lou was always grateful for everything anyone did for her. I loved her like she was my mother-in-law!

“ Dear Greg and family,

*May you feel God's comfort and strength during this time. Your mom is one of my favorite people of all time. I have missed her very much since she retired from FB.*

*She was always available with a sympathetic ear and she always brought a smile to my face. My favorite memory of your mom was when she was balancing your check book while you were at TECH. She asked me "Traci, just what is Pinkies?" and without realizing I told her. I think she thought it might be a grocery store with the number of checks written to that particular establishment. It still makes me laugh.*

*May peace be with you and yours.
